## December 2012 NEWSLETTER

Volume 3, No, 7

### From the President:

#### **To all Frankfort Sportsman Members,**

As the year ends, I hope the holiday will bring joy and happiness to all your families. Our club is moving forward and with your support we will continue in that direction. I would like to remind you that our club works with the help of all the members not just a few. Our new webmaster V.P. Jeff Hobson has redone our website which now has current photos and information. The club is also on facebook and has had several visitors and comments. Please visit the site! If you have information or photos to share, contact Jeff. Trap Committee Chairman Mike Turner along with the other trap committee members have worked hard to improve and maintain the trap side. During this year several events were held in which a lot of you participated. This year marked the return of ATA events with one being the BIG 50. More of these ATA events will be scheduled for next year. Five Stand Committee Chairman Al Brener along with several members have reworked the 5-stand into two different courses. Mark Jossart and Vincent Picciola of the entertainment committee have done an excellent job putting together the different games and meals for the club events. Our past Veteran Shooting event was well received as we honored our past and present warriors. I would also like to thank all the members that have worked for the club. I'm looking forward to the New Year with the hopes of continuous growth. Again, I and the rest of the board members wish the best to each and every one of you.

Congratulations to all 2012 individual champions.

### From The Trap Committee:

It's been a great year for the trap committee. Members of the committee have participated and ran 7 ATA shoots, 2 Trap leagues and help at many hosted events at FSC. We've installed a new Pat Trap machine on 3, got the wired callers going on 2, maintained all voice callers, kept Thursday morning shooting available, purchased a digital protractor and speedgun for trap setup.

Next year will only be better. Watch for an ATA orientation for new shooters that would like to shoot competition, more ATA shoots, and continued league shoots.

### Continued Reminder:

Don't forget to keep your email up to date. Without this it will be hard to find out what's happening at FSC

#### Safety tips with Hulls

- Inspect all hulls for cracks, splits, corrosion or other defects
- Don't mix different hulls or substitute one hull type for another
- Use the exact hull designation specified in the recipe.

### Ideas?

Still waiting for any new idea's or information for the newsletter? Please let me know at [mtturner1011@sbcglobal.net](mailto:mtturner1011@sbcglobal.net).

### Needed:

FSC is looking for volunteers for the following committee's

- Building & Grounds
- Trap
- Entertainment
- 5-Stand

If you'd be interested, please contact, Thurlow Haskell or Jeff Hobson.

### Also:

FSC is looking for a club member that can help us resolve our water/well issue. We are looking for someone that has either previously had worked in or is currently working in the well/pump industry to give us options on repairing our current system. Hopefully there is a member that can provide us the information we need to improve our current water condition. If you are someone that can give us directions, please contact any of the 12 board members to schedule a time.

### 2012 Christmas Party

As you can see from above, everyone enjoyed the food and the commardarie of the party. The shooting was also fun. If you've never gotten into the flash target shoot or the last man standing, you don't know what you're missing.

Happy shooting!

And DON'T forget on  
January 1, the Annual  
Polar Bear Shoot.

Come out, forget the  
weather and be able say  
you've shot on the first  
day of 2013, New  
Years Day

MERRY CHRISTMAS &  
HAVE A HAPPY NEW  
YEAR!
