Dear Members,

We are glad that you have chosen Frankfort Sportsman Club as your place to enjoy your shotgun related interests. Our club offers multiple shooting disciplines as well as leagues and the ability to socialize with other like-minded enthusiasts.

Over the past several years, the club has experienced the effects of inflation just like you have with the items you purchase. While inflation has been increasing by an average of 4% per year over the past 5 years, the club has not raised its membership or shooting fees during that same time period. Our costs have been increasing yearly while our fees have remained the same. A few of the items that have increased the most over the past 5 years are:

- Labor rate has increased 57%
- Clay Targets increased by 39%
- Garbage increased by 25%

We find ourselves in a position where we can no longer absorb the annual losses we have been experiencing for the past several years. To remain a viable club, we have no alternative but to raise our prices in an attempt to balance our budget. We have looked at our projected costs and revenue for the coming year and have adjusted the membership and shooting rates to get to a breakeven position. Below is the new pricing. You will notice that we will be moving to one card for any type of shooting you would like to do (Trap, Skeet or 5-Stand). The new pricing will take effect June 14th, 2023

New Pricing				
Membership Rates				
Rate		Initiation		
Old	New	Old	New	
Sportsman	250	300	150	100
Shooting	175	275	75	50
Sr Sportsman	125	225		
Individual Shooting Rounds				
	Sportsman	Shooting	30-Day	Guest
Old	5.00	6.50	7.50	7.50
New	6.25	8.00	9.00	9.00

Although no one likes to pay more, the reality is that the price of everything has been and continues to increase so we must do the same to be able to remain in business. We have reviewed what other clubs are charging and our cost structure is at or below others.

We hope you understand and will continue to enjoy the amenities we have to offer and the friendships you have made while shooting here. We will continue to strive to bring you the best experience at the lowest cost possible.
